

FOREIGN CLAIMS SETTLEMENT COMMISSION
OF THE UNITED STATES
WASHINGTON, D.C. 20579

IN THE MATTER OF THE CLAIM OF

METROPOLITAN FACTORS CORP.

Under the International Claims Settlement
Act of 1949, as amended

Claim No. CU-2321

Decision No. CU

ELC

PROPOSED DECISION

This claim against the Government of Cuba, under Title V of the International Claims Settlement Act of 1949, as amended, was presented by METROPOLITAN FACTORS CORP. in the amount of \$2,440.00 based upon the asserted loss of payment of four promissory notes.

Under Title V of the International Claims Settlement Act of 1949 /78 Stat. 1110 (1964), 22 U.S.C. 81643-1643k (1964), as amended, 79 Stat. 988 (1965)/, the Commission is given jurisdiction over claims of nationals of the United States against the Government of Cuba. Section 503(a) of the Act provides that the Commission shall receive and determine in accordance with applicable substantive law, including international law, the amount and validity of claims by nationals of the United States against the Government of Cuba arising since January 1, 1959 for

losses resulting from the nationalization, expropriation, intervention or other taking of, or special measures directed against, property including any rights or interests therein owned wholly or partially, directly or indirectly at the time by nationals of the United States.

Section 502(3) of the Act provides:

The term 'property' means any property, right or interest including any leasehold interest, and debts owed by the Government of Cuba or by enterprises which have been nationalized, expropriated, intervened, or taken by the Government of Cuba and debts which are

a charge on property which has been nationalized, expropriated, intervened, or taken by the Government of Cuba.

Section 502(1) of the Act defines the term "national of the United States" as "(B) a corporation or other legal entity which is organized under the laws of the United States, or of any State, the District of Columbia, or the Commonwealth of Puerto Rico, if natural persons who are citizens of the United States own, directly or indirectly, 50 per centum or more of the outstanding capital stock or other beneficial interest of such corporation or entity."

An officer of the claimant corporation has certified that the claimant was organized in the State of New York on December 1, 1950 and that all times between September 25, 1959 and presentation of this claim on April 27, 1967 more than 50% of the outstanding capital stock of the claimant has been owned by United States nationals. The Commission holds that claimant is a national of the United States within the meaning of Section 502(1)(B) of the Act.

Claimant states that all of its stockholders are United States nationals.

The record discloses that claimant was the holder of four promissory notes drawn by Mariano Guastella of Havana, Cuba, each in the amount of \$610.00, and payable on September 25, 1959, November 25, 1959, December 27, 1959, and January 25, 1960, respectively. Further, the record contains letters from the Chase Manhattan Bank to the claimant, in which it is stated that the subject promissory notes were paid in local currency to the Chase Manhattan Bank (Havana Branch), and that the collecting bank was awaiting a dollar reimbursement release from the Banco Nacional de Cuba, a Cuban Government agency. Claimant states that it has not received the funds.

The Government of Cuba, on September 29, 1959, published its Law 568, concerning foreign exchange. Thereafter the Cuban Government effectively precluded transfers of funds to creditors abroad. The Commission holds that Cuban Law 568 and the Cuban Government's implementation thereof, with respect to the rights of the claimant herein, was not in reality a . . .

legitimate exercise of sovereign authority to regulate foreign exchange, but constituted an intervention by the Government of Cuba into the contractual rights of the claimant, which resulted in the taking of American-owned property within the meaning of Section 503(a) of the Act. (See the Claim of The Schwarzenbach Huber Company, FCSC Claim No. CU-0019).

Accordingly, in the instant claim the Commission finds that claimant's property was lost as a result of intervention by the Government of Cuba and that, in the absence of evidence to the contrary, the loss occurred on September 26, 1959 as to \$610.00, on November 26, 1959 as to \$610.00, on December 28, 1959 as to \$610.00, and on January 26, 1960 as to \$610.00, the days after the subject promissory notes were paid.

The Commission has decided that in certification of losses on claims determined pursuant to Title V of the International Claims Settlement Act of 1949, as amended, interest should be included at the rate of 6% per annum from the date of loss to the date of settlement (See the Claim of Lisle Corporation, FCSC Claim No. CU-0644).

Accordingly, the Commission concludes that the amount of the loss sustained by claimant shall be increased by interest thereon at the rate of 6% per annum from the dates on which the loss occurred, to the date on which provisions are made for the settlement thereof.

CERTIFICATION OF LOSS

The Commission certifies that METROPOLITAN FACTORS CORP. suffered a loss, as a result of actions of the Government of Cuba, within the scope of Title V of the International Claims Settlement Act of 1949, as amended, in the amount of Two Thousand Four Hundred Forty Dollars (\$2,440.00) with interest thereon at 6% per annum from the respective dates of loss to the date of settlement.
